From Paphos Airport

After leaving Paphos airport follow the airport road till you reach a 'T' junction, turn right at this junction. Follow the road until you see the sign for the motorway, just before Green Forest Nursery, turn left and then left again on to the motorway. Stay on the motorway until it ends at a large roundabout, you are now in Paphos. Stay in the left hand lane and take the left hand slip road onto the dual carriageway. Remain on the dual carriageway until you come to a second roundabout (on your left hand side is Debenhams/Next superstore). Go straight across the roundabout (second exit). Continue along this dual carriageway, straight across the traffic lights and then straight across the next small roundabout. At the bottom of this road keep to the right hand side and follow the road straight. This is the coast road to the Paphos harbour, continue along this road with the sea on your left. There is a turning on the right hand side opposite the Almyra Hotel, take this turning and then turn immediately left and then immediately right. The Paphos Anemi Hotel Apartments are on your right hand side.
